EL-MONAFIS FOR METAL INDUSTRIES

# About Us

## El Monafes

## Metal Industries

Established: Founded in 2018 in Egypt.

Industry Leader: A pioneer in manufacturing production lines and metalworking services.

Specialization: Expert in laser cutting, forming, milling, turning, and shaping metals.

Comprehensive Services: Offers cutting, engraving, printing, elding, bending, and sandblasting.

Stainless Steel Expertise: Provides engineering solutions tailored for stainless steel projects.

Customer Commitment: Focused on delivering innovative and cost-effective solutions to meet diverse customer needs.

# Work At The El Monafes Factory

## Precision and Accuracy

## On-Time Delivery

98%

At El Monafes Factory, we pride ourselves on delivering exceptional results across all aspects of our operations. With 97% precision and accuracy, we ensure flawless execution in cutting, shaping, and processing metals using advanced machinery. Our commitment to excellence is reflected in our 98% customer satisfaction rate, as we consistently exceed client expectations with tailored solutions and unmatched quality. Additionally, we prioritize reliability and efficiency, achieving a 97% on-time delivery rate, ensuring projects are completed and delivered within the agreed timeframe. These metrics embody our dedication to excellence and customer-centric approach.

# Our CEO

The visionary leader behind **EI Monafes Factory**, **Waleed Tawfiq Zahran** brings years of experience and a deep passion for innovation in the metalworking industry. With a commitment to quality and precision, Waleed has played a pivotal role in the company's success and growth since its establishment in 2018.

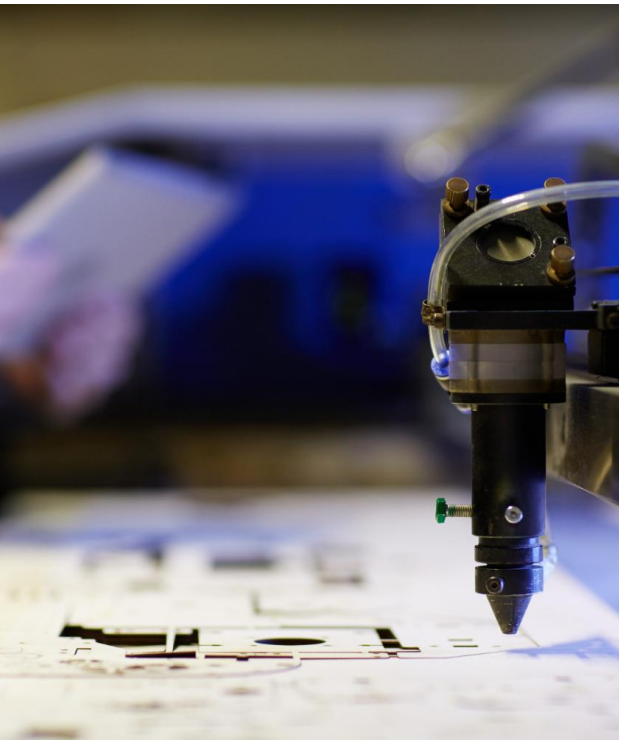

Driven by a desire to push the boundaries of what's possible in metal manufacturing, Waleed has led **EI Monafes Factory** through continuous technological advancements and the development of bespoke solutions for diverse industries. His leadership focuses on fostering a culture of excellence, reliability, and customer satisfaction at every level of the company.

Under Waleed Tawfiq Zahran's guidance, **EI Monafes Factory** has become a trusted name in the industry, known for its cutting-edge technology, skilled workforce, and dedication to delivering top-notch products and services. Waleed continues to inspire the team with a vision of growth, innovation, and sustainable practices, ensuring the company's leadership in the market for years to come.

# Why Choose El Monafes Factory?

*El Monafes Factory is your trusted partner for all metalworking and production needs, delivering unparalleled quality and reliability.*

Sheet Rolling Line

Sheet Rolling Rolls

Wire Drawing Machine

Shavings Machine

Hydraulic Press

Wire Bending Machine

Spring Machine

Separation Machine

Wire Curing Oven

Dust Separation Machine

Road Barrier Roll Set

Wire Coiling Machine

Centrifuge for Galvanizing

Wire Drawing Machine

Wire Reel Holder

# Our Vision

## Industry Leadership

Striving to be the leading provider of innovative and high-quality metalworking solutions globally.

## Technological Advancement

Continuously expanding our technological capabilities to stay at the forefront of the industry.

## Exceptional Service

Committed to offering outstanding customer service while maintaining our position as an industry pioneer.

Our mission is to deliver superior products and services that exceed our customers' expectations, providing cutting-edge metalworking solutions with a commitment to quality, precision, and efficiency. We focus on sustainable practices and strive to be the partner of choice in the metal manufacturing industry.

**Our  
Mission**

# Our Values

## Innovation

We embrace technology and strive for continuous improvement to deliver the most efficient and advanced solutions.

## Integrity

We build trust through transparent, ethical practices and by delivering on our promises.

## Quality

We are committed to maintaining the highest standards in all our products and services.

## Customer Satisfaction

We prioritize our clients' needs and ensure that every project is completed to their complete satisfaction.

# Our Workforce

Skilled and Experienced Team

Our team is the backbone of El Monafes Factory, bringing a wealth of expertise and experience to every project.

Continuous Training and Development

We focus on continuous education to ensure our staff stays ahead of industry trends and maintains top-tier standards.

Commitment to Innovation and Excellence

Our workforce is dedicated to driving innovation and delivering excellence in every project we undertake.

# Our Services

Surface Treatment by Sandblasting

Metal Milling

Laser Cutting of Metals

Metal Turning

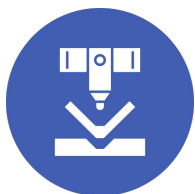

Engineering Work on Stainless Steel

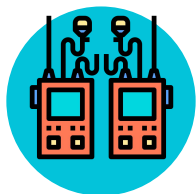

# Our Production Facility

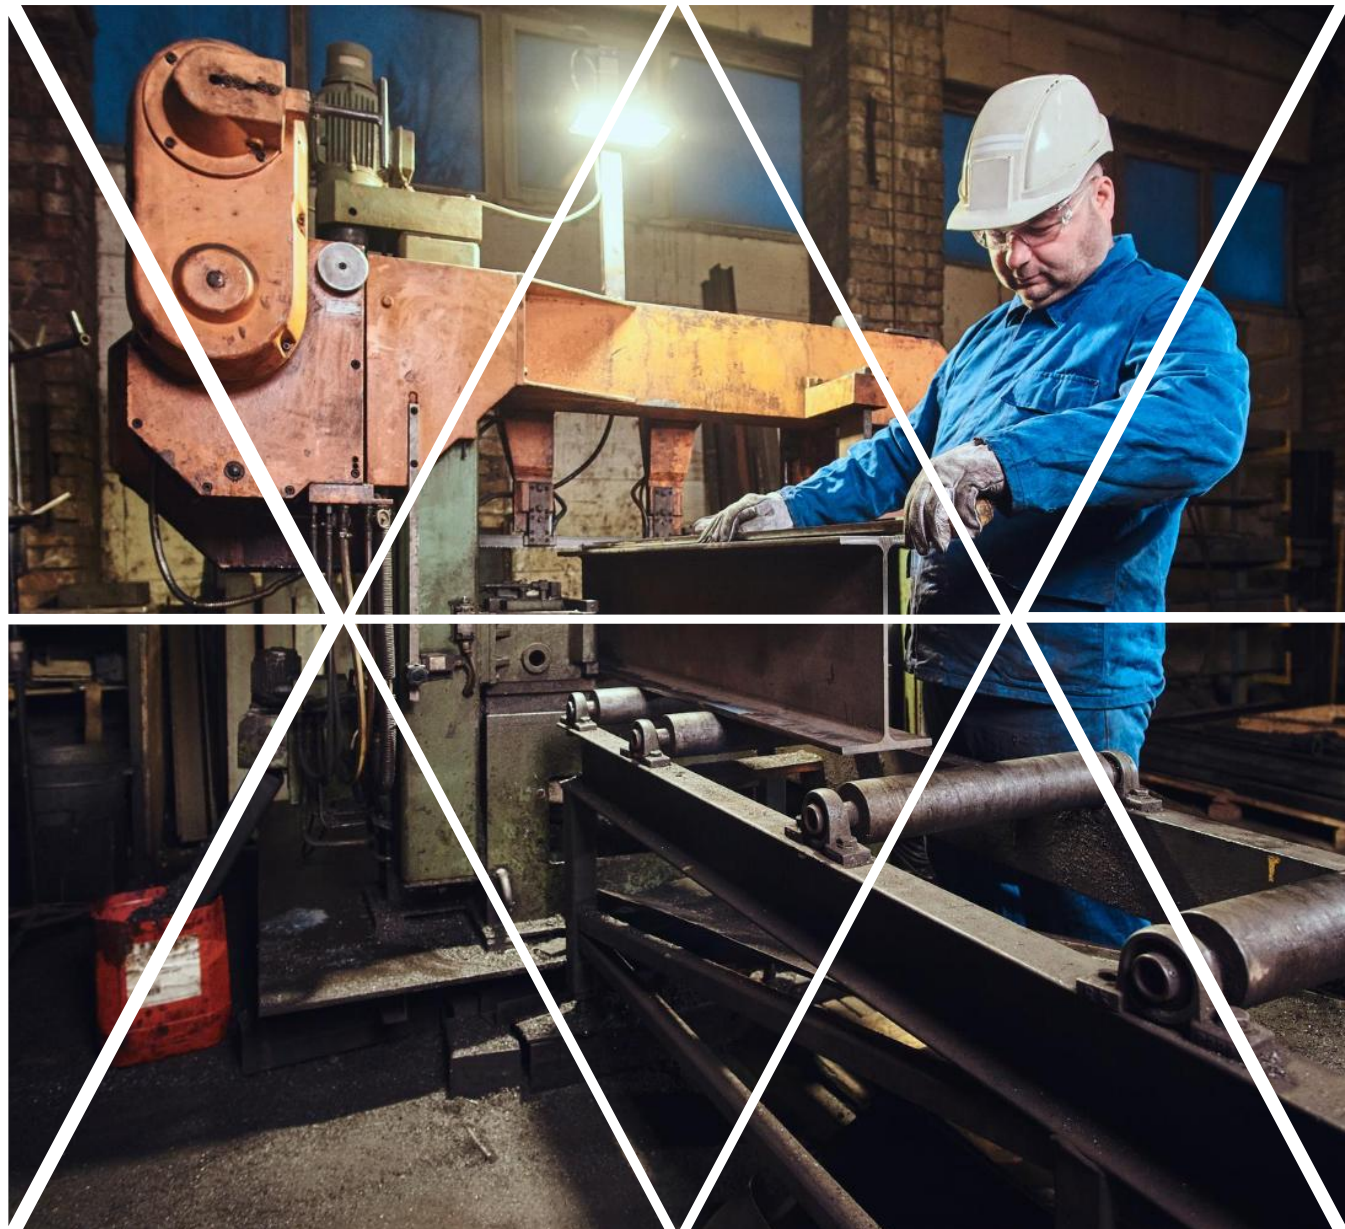

01 Laser Cutting Machines

02 CNC Machines

03 Welding Stations

# Metal Constructions

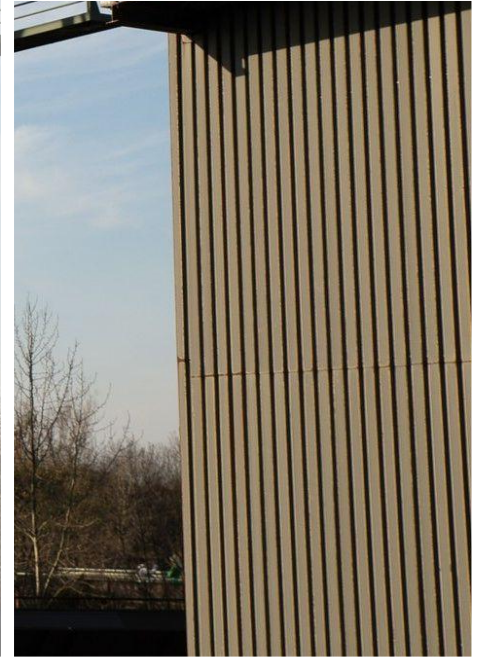

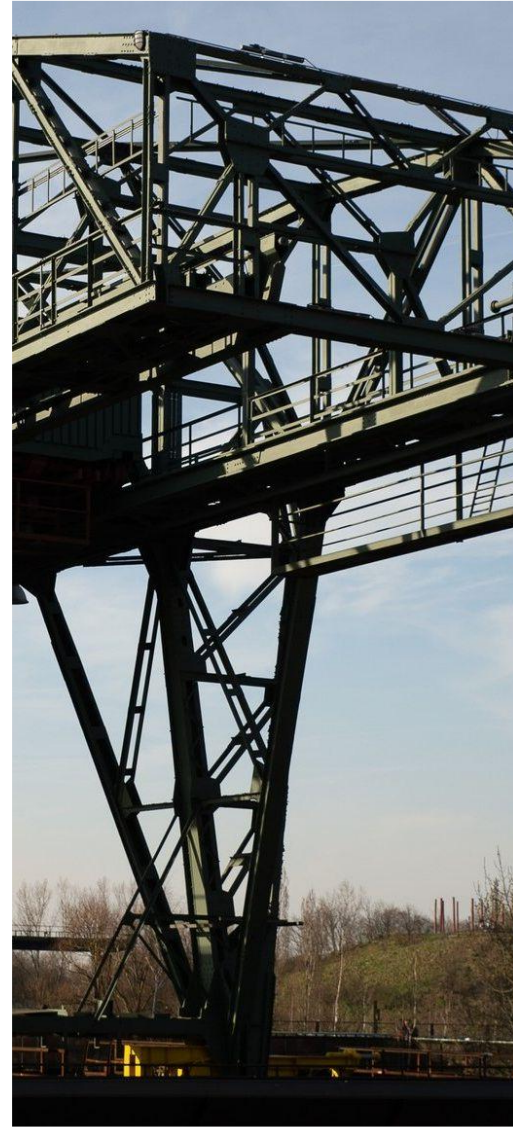

## At El Monafes Factory

we have a complete team dedicated to the design, manufacturing, supply, and installation of all types of metal structures. Our team brings extensive experience, ensuring that every project is executed to perfection, from adhering to timelines to delivering top-quality designs and construction.

## Our Previous Metal Construction Projects

The European languages are members of the same family. Their separate existence is a myth. For science, music, sport, etc, Europe uses the same vocabu
